**§ 542.20 What is a Tier A gaming operation?**

A Tier A gaming operation is one with annual gross gaming revenues of more than \$1 million but not more than \$5 million.

**§ 542.21 What are the minimum internal control standards for drop and count for Tier A gaming operations?**

(a) *Computer applications.* For any computer applications utilized, alternate documentation and/or procedures that provide at least the level of control described by the standards in this section, as approved by the Tribal gaming regulatory authority, will be acceptable.

(b) *Table game drop standards.* (1) The setting out of empty table game drop boxes and the drop shall be a continuous process.

(2) At the end of each shift:

(i) All locked table game drop boxes shall be removed from the tables by a person independent of the pit shift being dropped;

(ii) A separate drop box shall be placed on each table opened at any time during each shift or a gaming operation may utilize a single drop box with separate openings and compartments for each shift; and

(iii) Upon removal from the tables, table game drop boxes shall be transported directly to the count room or other equivalently secure area with comparable controls and locked in a secure manner until the count takes place.

(3) If drop boxes are not placed on all tables, then the pit department shall document which tables were open during the shift.

(4) The transporting of table game drop boxes shall be performed by a minimum of two persons, at least one of whom is independent of the pit shift being dropped.

(5) All table game drop boxes shall be posted with a number corresponding to a permanent number on the gaming table and marked to indicate game, table number, and shift.

(c) *Soft count room personnel.* (1) The table game soft count and the gaming machine bill acceptor count shall be performed by a minimum of two employees.

(2) Count room personnel shall not be allowed to exit or enter the count room during the count except for emergencies or scheduled breaks. At no time during the count, shall there be fewer than two employees in the count room until the drop proceeds have been accepted into cage/vault accountability.

(3) Count team members shall be rotated on a routine basis such that the count team is not consistently the same two persons more than four (4) days per week. This standard shall not apply to gaming operations that utilize a count team of more than two persons.

(4) The count team shall be independent of transactions being reviewed and counted. The count team shall be independent of the cage/vault departments, however, a dealer or a cage cashier may be used if this person is not allowed to perform the recording function. An accounting representative may be used if there is an independent audit of all soft count documentation.

(d) *Table game soft count standards.* (1) The table game soft count shall be performed in a soft count room or other equivalently secure area with comparable controls.
